Good Morning:

Would you folks have some time later this week to have an abbreviated technical group discussion? If we want to get additional monitoring well installed yet this year, we should talk soon.

I have time on Wednesday afternoon (1-2 PM or 3- 4 PM) or on Friday. Please let me know if either of those options would work and I'll set up a call. Thanks!

We are committed to service excellence.

Good Morning:

Better late than never, attached are the notes that I took on our October 27 call. Please hit Reply All with your comments.

Also, I just realized that the November call is scheduled for Thanksgiving morning. Options include having the call on Wednesday the 23rd or moving it into December. Please share your thoughts on that, too.

Thanks!

We are committed to service excellence.
